Appears to be full program that is missing an introduction. No script, so designation is Bronze. YES SCRIPT!

Audio date is 19890108. Script also reads 19890108, but it has been crossed out.
1st Show: Letta Mbulu // 2nd: Boncana Maïga & Group. Thomas Frimpong. Jobs Combination band. // 4. Kokomos band, Gabriel Osanyigbemi (leader).

Loud beeping noise at start of recording, perhaps signaling start of program.

Program contains 2 interview/music cuts. No performer or musician information is contained in program script.

This program features extended cut with dialogue not included in program script.

Does Sara-Kaba song actually get played?

Alioke Alison Borg, Lucky Dube, Ebenezer Obey
